

Quality Policy

Securecorp is a sophisticated, state-of-the-art Security, Cleaning, Electronics, Training, and Integrated Services organisation working to the highest quality standard. Our mission is for all staff to work as a team to provide our customers with the best and safest possible service.

Securecorp pledges its intention to work with all staff to create the safest and best work practices while consistently meeting customer requirements and expectations, for all mutual benefit.

We will do our best to meet all of the requirements and expectations of each and every customer and will insist that our staff provide the same high standard.

We will support this commitment through the communication, training and development of our staff to ensure that our company goals and quality objectives are understood, implemented and maintained in accordance with and compliance to ISO 9001.

To ensure the achievements of the above objectives, we remain committed to continually improve our services and processes through the establishment of measurable quality objectives with set targets and the collection and analysis of data for these objectives to determine areas for taking preventive actions for improvement.
